## DAY 1 TUESDAY, SEPTEMBER 7

Programming scheduled in U.S. Eastern Time (EDT / UTC / GMT - 4 Hours)

### 9:00 am EDT

3:00 pm Paris CEST  
10:00 pm Seoul KST

### Chair's Welcome & Korean Message

### 9:15 am EDT

3:15 pm Paris CEST  
10:15 pm Seoul KST

### Opening Keynote Address: Aging in Asia by Wendy Walker

The demographic transition in Asia offers challenges and opportunities requiring multi-sectoral response, active planning, preparation, and innovation. Hear expert insights as we explore topics including reducing poverty and promoting education, the role of home and community-based services in long-term care, residential models, and the integration of health and social care.

#### KEYNOTE PRESENTER

Wendy Walker  
Chief of the Social Development Thematic Group  
Asian Development Bank  
Philippines

### 9:50 am EDT

3:50 pm Paris CEST  
10:50 pm Seoul KST

### Panel: Integrating the Generations

Worldwide, the COVID-19 global pandemic has exacerbated the plagues of loneliness and social isolation, negatively impacting both older and younger populations. In this session, three different types of aged-care providers, from distinct corners of our globe, discuss programs they operate that break down barriers and integrate the generations.

#### SESSION CHAIR

Christie Hinrichs  
President & CEO  
Tabitha Health Care Services  
United States

#### SESSION PANELISTS

## 10:45 am EDT

4:45 pm Paris CEST  
11:45 pm Seoul KST

### Panel: That's Debatable Revisited Post-COVID-19

Our panel of thought-leaders make the case for what they think is the most challenging key issue facing our sector on a global scale: technology, workforce, or consumer voice. Following a similar, popular panel discussion at the 2019 Global Ageing Network Biennial Conference in Toronto, find out how our panelist's views have changed—or not changed—in light of the global pandemic.

#### SESSION CHAIR

Donald Macaskill  
CEO  
Scottish Care  
Scotland

#### SESSION PANELISTS

Stephen Cornelissen  
Adjunct Professor  
& Group CEO  
Mercy Health  
Australia

Emi Kiyota  
Founder & President  
Ibasha  
United States

Robyn Stone

CEO  
The Association for  
The Aged /TAFTA  
South Africa

*Programming scheduled in U.S. Eastern Time (EDT / UTC / GMT - 4 Hours)*

**9:00 am EDT**

3:00 pm Paris CEST  
10:00 pm Seoul KST

**Chair’s Welcome & Keynote Dialogue:  
Global Impact: A Conversation with Katie Sloan & Marcus Riley**

Global Ageing Network (GAN) Executive Director Katie Sloan and GAN past chair and representative to the U.N. Marcus Riley discuss their experiences and perspectives on working on the global stage to improve the lives and welfare of older persons, as well as how providers can help other organizations achieve a high level of success in providing human rights, quality long-term care, and healthy ageing.

**KEYNOTE DISCUSSANTS**

Katie Sloan  
Executive Director  
Global Ageing Network  
United States

Marcus Riley  
Executive Chairman  
BallyCara  
Australia

**9:35 am EDT**

3:35 pm Paris CEST  
10:35 pm Seoul KST

**Workforce Challenges in the Emerging Post-Pandemic Era**

Join ageing services leaders from three different parts of the world as they share their experiences managing the pandemic. We will discuss threats to supporting ageing services workers, and how the international community can create career pathways, implement living wage programs, enhance working conditions, and foster social change to help make careers in caregiving attractive to workers.

**SESSION CHAIR**

Jiří Horecky  
President, European Ageing Network  
Board Member, Global Ageing Network  
Czech Republic

**SESSION PANELISTS**

Joseph Musgrave  
CEO  
Home and Community  
Care Ireland  
Ireland

Kevin McCoy  
Chief Executive Officer  
Australian Unity  
Australia

Dr. Rosy Pereyra  
President  
International Longevity Centre  
Dominican Republic  
Dominican Republic

**10:30 am EDT**

4:30 pm Paris CEST  
11:30 pm Seoul KST

**Panel: Advances in Dementia Care**

Colleagues from Canada, The Netherlands, and Australia share their organizations' philosophies on caregiving for those with dementia. The conversation will cover approaches for intergenerational settings, support for those with physical and psychological symptoms of dementia at home or a care home, and the experiences of residential communities that have shifted from segregation to inclusion for those living with dementia.

**SESSION CHAIR**

Kirsten Jacobs  
Sr. Director Shared  
Learning Initiatives  
LeadingAge  
United States

**SESSION PANELISTS**

Suellen Beatty  
CEO  
Sherbrooke Community  
Center

United States

Emi Kiyota  
Founder & President  
Ibasha  
United States

**12:35 pm EDT**  
6:35 pm Paris CEST  
1:35 am Seoul KST

## Closing Keynote Address: Innovation in Aged Care by Joseph Coughlin

The global pandemic may be a critical tipping point for our field. Hear from one of our great thought leaders in ageing and technology, as he considers the role of innovation in aged care and how we can take advantage of this unique moment in time to rethink what we, as providers and business firms, can offer to older consumers moving forward.

### KEYNOTE PRESENTER

Joseph F. Coughlin  
Director of the MIT AgeLab  
Massachusetts Institute of Technology  
United States

**1:05 pm EDT**  
7:05pm Paris CEST  
2:05am Seoul KST

## Global Ageing Conference 2023 Announcement & Invitation from Scottish Care and Conference
